**TOTAL \$ 3174.03**

**Safety Officer Report:**

There have been a few incidents of people crossing the runway and people making low passes at the same time. We need to work on communication while flying and education of safety, especially for new pilots.

The officers will work on getting the AMA safety code made into a sign to post at the field.

**Event planning:**

June 21 and 22: **Electric fun fly.** Les and Steve G. CDs.  
Event went well and made approximately \$65.00.

July: **Car show July 19<sup>th</sup>.** Steve Guattery and Bjorn Beal will man a booth at the Civitan car show. Chris Conley and Derek Sorensen will head up the display for the show down town. The raffle drawing will be at 9:30 at the show.

**August 19: The monthly meeting will be at the flying field with a BBQ, starting around 6:00 pm.** Show up when you can. The club will provide burgers, dogs, buns, condiments, plates and utensils.

Bring drinks and a side if you wish. Derek Sorensen will provide the grill to cook on. If you can, please let me know if you plan on attending and how many people you will bring so we can get supplies accordingly. This is a fun meeting so bring your planes if you wish.

August 10: There is a possibility for the Wounded Warrior Extreme Adventure to want to include flying planes with buddy boxes for an activity. We will need pilots with planes to meet this need. 6 pilots have indicated that they would participate. Please e-mail me if you will commit to be there and I will make a roster so we know where we stand on pilots. There is no set roster for WWP participants, or time only the date has been set. We will communicate more details as we get them.

August 23<sup>rd</sup>: Fun fly, Bjorn and Chris CDS.
